Depends...

- Depend on which camp you go to and the type of am entities the camp offers.
- Depends - camp site is \$40 for tents, building with heat and electricity can be \$75-150 depending on size.
- Depends if it is a primitive, permanent, or building
- depends on type of accommodation & # of girls
- Depends on the sight and there is no one night camping you have to pay for the whole weekend and hope to find someone to come in the night you're not there.
- Depends on type of accommodations
- Depends on which of the 3 camps we chose. The cheapest camp is 45 min away but we chose to drive further for more opportunities at the other camp which then cost is more in gas
- Depends, cabins are about \$200 while platform tents are about \$50
- Depends. Cost per unit or building range from \$10 a night for platform tent unit to \$75-80 a night for lodges.
- Depends. Get charged extra for out of council camping.
- It depends if it is an indoor unit or an outdoor unit and how many people it sleeps. GSWW only rents weekends not daily rates averages \$100.00 for the weekend
- It depends on the lodge or tent unit we use. The tent units are fairly cheap at maybe \$30 and larger buildings are \$120. The rates are reasonable for what we get.

- It depends, but is almost always too expensive OR if it is cheaper it is on a Friday and not easily attended for working leaders.

Other...

- Affordable
- In the past our Daisy troop had to pay for parents to join GS since we couldn't camp without parents, VERY costly.
- It is done by weekend. Outdoor \$150 indoor \$215
- N/A
- Not sure since we split with several other troops.
- Not sure. We usually camp for 2 nights and it's over \$200 for part of a unit.
- 2 nights is the booking, whether or not a troop stays 1 night or 2
- Or higher depending on the availability of the sites.
- Our troop typically does not camp at GS properties when troop camping
- Summer resident camp only
- The local one (1 1/2-2 hrs away) doesn't offer this option. :-)
- This is not an option in our council....2 nights with food and program \$125
- Varies
- We have a pretty low cost compared to most councils. The more primitive camp is the least expensive. My girls used to like this camp. It is still reasonable. (10-15 per night). But the whole camp is often shared.
- We use Camp Linden they are really reasonable
