- About 4 months, but anytime if there is an opening.
- About 4 months. We need to have more lead time and be able to reserve camps earlier
- Approx 4months, seasonally
- After lottos for encampment
- After Service Unit encampment dates are booked, it is opened to troops for remaining spaces
- After the drawing for encampments, the dates that were not picked are then put up
- Apr 1 for the fall & Dec 1 for spring
- Changes every year

- Constantly changes
- Depends on when council events get organized
- Don't know if an option
- Example, dates for the spring opened up for registration on September first. It's difficult to plan too far out if you don't have the date and camp confirmed.
- For CT, we need 3 weeks
- Goes by fiscal year October-Sept
- It depends on the season. Fall and Spring I think it is 3 months after the encampment dates have been selected. Other times of the year, I think it is 6 months
- It used to be 6 months...but then I think they changed because it is online now
- It varies on the campground
- It's seasonal (Fall & Spring) So it depends on when the cut off is for each season.
- Less than 6 months
- Lottery in spring, then first come first serve
- More than 12 mo
- Not suppose to be more than 4 months from the date, but I have seen them booking up to 6 months +
- Not sure, my guess is 6 months
- November 15 and April 15 registration opens for a set of dates, but you can reserve whenever after those start dates.
- Once it is posted on website, usually 6 months ahead of time
- Only available June- September
- Open October 1st for whole scouting year
- Opens in early Jan?
- Our calendar is open June 1st for the upcoming year
- Service unit is 6 months troops are 3. By the time a troop decided to go the service units already took the sites.
- Starts over each year
- There is draw date for fall and 1 for winter so it depends on how close to that date you want to camp it can be less than a month
- They say 6 months but it's not a true 6 months, they go to the beginning of the next month if you book for the middle of the month
- Varies, council is accommodating
- We reserve Nov 15 at 12:01 am for the following Apr-Oct camp season. Midnight is a bit crazy to me!
- We use other council camps instead
- We were told reservations started in August for the year, but it was booked by then so we are not certain what the rules are now.
